Hymns Biographies:

#430—"Sunlight in My Soul" 2 Corinthians 4:6 "For God, who said 'Let light shine out of darkness', made His light shine in our hearts to give us the light of the knowledge of God's glory displayed in the face of Christ." It was written around 1887 by Eliza E. Hewitt while recovering from a severe spinal injury. After wearing a body cast for roughly six months, she took her first walk outside in a park on a sunny day and was inspired to write this uplifting hymn.

#53—"In His Time" Ecclesiastes 3:11 "He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end." It was written by Diane Ball in 1978 after a stressful, delayed departure for a vacation. As we sing this hymn, rest in the assurance that God sees from the beginning to end and does all things in His time.
